

Men's Ministry Upcoming Events

What is Men's Ministry?

Men's Ministry is in reality every activity of every man's service to the Lord, and in our case, through our church. There are opportunities to serve with other men, and every one of our efforts is for those who attend West Side, and for those who do not. All men need witnessing. All witnessing needs men. Every man is welcome at the Men's Ministry meetings on the *second Tuesday of each month*.
